World Cafe

Student Life

Students Stepping Up!

by Derek Hopperton, Director of Student Life

The 2017-18 school year is underway and we've already seen high school students stepping up to serve and lead in significant ways.

We have over 40 students engaging in the Student Leadership Institute, which consists of three distinct teams:

- Student Council
- Chapel Team
- Fellowship of Christian Athletes (FCA).

The Student Council has been hard at work, planning for the upcoming High School spirit week and bonfire activities. The Chapel Team has begun meeting to develop creative elements for chapel, student-led Bible studies, and more. Students in FCA have begun training with Matt Mitchell, our local FCA representative, to go to local middle schools and lead FCA outreach huddles.

On September 27, many of these students, along with some teachers, gathered to pray in front of the school for our annual "See You at the Pole" prayer rally. We prayed for our school, students, families, as well as our city and nation. It was an encouraging and inspiring experience to see students passionate about prayer, seeking God's face to impact this world for His glory!

Please continue praying that our students would answer God's call on their lives to be shining lights to those around them, and to lead their peers with the hearts of servants!

Around the School

Preschool

by Lisa Hammond, Preschool Director

During the month of October, the preschools will be focusing our learning about the season of fall and the importance of our community helpers. Both campuses will be having a visit from the fire department, so look for details and pictures to follow.

With the first day of fall just a few days ago, we will be spending a lot of time talking about the season of fall and the weather changes that reflect the season of fall. Each campus will spend time talking about the changing leaves, foods to harvest and cooler weather. Try to take every opportunity to talk to your child about these changes. We will be ending the month by celebrating fall with special harvest activities.

Elementary School

by Bruce Jacobson, Elementary Principal

Mrs. Abbott's fourth grade class on a field trip to the Louisville Science Center.

Mrs. Adkisson's class (2A) engaged in Art class.

The East Campus Kindergarten class attending their first chapel service at the Fegenbush.

Mrs. Chrisman's third grade class on their field trip at Squire Boone Caverns

Around the School

Middle School

by Bruce Jacobson, Middle School Principal

Cameron Buse (8th grade) competing with the Whitefield Golf team.

One of the 6th grade classes relaxing in Mr. Hardin's "Book Café" event.

High School

by Gary Mounce, High School Principal

ANOTHER MONTH, ANOTHER SEASON!

"We all have our time machines. Some take us back, they're called memories. Some take us forward, they're called dreams." - Jeremy Irons

Though October is just around the corner, September was a busy month in high school. Students finalized their class schedules, began small group discussion and completed preparations for October Testing Day. We have welcomed our new counselor, Merideth Sallee and Juniors discussed class rings while seniors talked graduation items with Herff Jones. Each class level fundraised by participating in the Arts and Crafts Festival and we closed out the month with a dodgeball tournament – even some of the teachers got into the action!

With October just around the corner, many other events and activities will be taking place for high school. Below you will find some of the key things coming up next month:

October

- 3 Herff Jones orders due (Jr/Sr)
- 3 FAFSA workshop 7:00pm
- 11 Testing for grades 9-11 (Seniors have late arrival 11:20am)
- 13 Senior Lunch
- 20 HS Bonfire 8:00pm-10:30pm
- 23-27 HS Spirit Week
- 26-28 Fall Drama Production
- 27 Senior Lunch
