

Whitefield's Food Service Department is pleased to announce an opening on our Culinary Team at the East Campus on Shelbyville Rd. We're looking for the right candidate to oversee the growing Culinary Program at our East Campus.

The right candidate will have a minimum of two years cooking experience and will be able to:

- Prepare quality meals that are healthful and nutritional.
- Have a working knowledge of Health Regulations, State of Kentucky School Regulations, Proper Cooking Techniques (proteins, starches, fresh fruits, and fresh vegetables), as well as the use of large-volume food preparation equipment.
- Have the ability to manage State Mandated portion controls, proper presentations, and will maintain a clean work environment.
- Maintain proper State Certification (Food Handlers) throughout employment term.
- Communicate effectively and interact with a team.
- Manage Inventory levels, control waste, production levels, and follow recipes.

This is an uncommon opportunity, so please apply quickly. This position will follow the school calendar year. If year-round employment is needed, summertime opportunities may be available.

Starting pay is \$12.00/hr. with potential first increase after 6 months.
