

**35th Annual Highview-Whitefield
Arts and Crafts Festival**

September 10, 2022, 9:00 AM to 4:00 PM

At

**Whitefield Academy
7711 Fegenbush Lane
Louisville, KY 40228**

Sponsored by the Class of 2023

We are excited to announce that Whitefield Academy will be organizing the **Thirty-fifth Annual Arts and Crafts Festival on Saturday, September 10, 2022**. The Highview-Whitefield Arts and Crafts Festival is lead by the senior class of Whitefield Academy and their sponsors. Its purpose is to raise revenue for the annual senior class trip.

**The festival is held on the grounds of Highview Baptist Church – back by the baseball field.
Rain or shine, the Festival will be held outside!**

When considering your application, please note the following information:

- We request that no yard sale items, re-sold items, flea market items, items crafted outside Louisville and the surrounding area, food vendors or **any alcohol or tobacco promoting type items** be used or sold at our event. **No raffles will be allowed** at the festival. Vendors who fail to adhere to this standard of quality risk removal from the show and will not receive an invitation for our next fair.
- All vendors need to provide their own canopy that fits in a 10X10 ft. booth space. IF you have a canopy or tent larger than the provided space, you need to make arrangements to rent more than one booth.
- All vendors need to submit one or two photographs that represent their body of work. These photos will facilitate our jury process and are kept on file.

ONLINE APPLICATION PROCESS:

1. Click on the link below to apply. Once we receive and review your application, we will email you an acceptance notification with payment link. **Payments MUST be made within two weeks of acceptance or you will NOT be guaranteed a spot. Payment is GUARANTEE of commitment. There will be NO REFUNDS once payment is made.**

OR

We will notify you about waiting list placement.

(Vendors who have participated in the previous year will get first priority before new applicants are placed. Priority deadline for previous year vendors is May 31st.)

Here is the application link:

<https://whitefield.org/craft-festival/vendor-application/>

2. We will follow up with emails regarding set up times, etc. once we assess roll out plan details.
