Legacy Fund: Tax-deductible contributions to the annual fund are requested to meet the financial goals of the school. We understand that some families may be able to give, and others may not be able to give as much. Parents are encouraged to make their contribution via the "giving" tab through the website at the time of payment in full.

Extended Care Program: A Weekday Extended Program (morning and after school) is available for preschool students. Students must register for this program through the Preschool Office. Additional fees apply.

Make up Days: We are unable to schedule make up days for days missed due to inclement weather, illness, or any other days off. Tuition will not be prorated.

Mid-Year Preschool Applicants: Whitefield Academy Preschool will not be taking new students after February 1st of the current school year. If your student is starting in PK4 after the school year begins, they will need to go through an academic screening at Whitefield to ensure this is the best placement.

Students with a Late Start Date: Families who would like a spot held for their child, due to their first birthday occurring after the beginning of the school year or any other reason for another grade, will be required to pay half the tuition at the time the spot is held. Once the child turns one or a child of another grade starts school, families will be charged the full tuition. Spots will be held depending on availability and will only be held until the agreed upon date for attendance to begin. Late start date hold fees are non-refundable.
