

The Foundation Program

Learning Accommodation Plan

The goal of the Learning Accommodation Plan is to provide select students with accommodation resources that remove learning obstacles while bolstering confidence in who God made them to be.

Partnering

Strengthening

Advocating

The Blueprint for Success: The Learning Accommodation Plan (LAP)

Every student's journey is unique. The LAP is a personalized and customized plan that serves as the roadmap for their success at Whitefield and beyond.

Accommodations Based on Specific Diagnosis

 Academic

 Mental Health & Social/Emotional

Support for National Standardized Testing

We provide resources and approved accommodations for critical exams like the ACT, PSAT, SAT, and AP Tests.

The Tools & Team for the Journey

Expert Teacher Support

- One-on-one & small group instruction, content reinforcement, co-teaching.
- Behavior modifications
- Social stories

Essential Life Skills

- Explicitly teach study skills, work skills, time management.
- Self-advocacy.
- Transitional support for new grade levels and post-secondary life.

A Well-Stocked Toolkit

- Access to a dedicated physical space, fidgets, visual timers & schedules.
- Graphic organizers, flexible seating.
- Other supplies as needed

A Circle of Communication

- Weekly grade/missing work checks, annual parent meetings
- Increased communication
- Coordination with counselors, tutors, and outside therapists (OT/SLP)

An Investment in Your Child's Growth

The Foundation Program is a \$1,000 annual investment that allows us to create and implement a personalized plan designed to remove learning obstacles while strengthening confidence in who God made your child to be. This investment supports individualized planning, expert teacher collaboration, ongoing communication with families, and access to resources that help students thrive in the classroom and beyond.

Families who believe their child would benefit from a Learning Accommodations Plan are invited to partner with us through the Foundation Program enrollment process as we work together to help each student reach their God-given potential.
